

Parents' Guide for the Kids Club HQ Booking System – Ad-hoc bookings

Get With The Kids Vibe are working with Kids Club HQ to provide you with a new booking system for their clubs.

This guide is an introduction on how to get going with the system when it goes live.

We're sure you're going to love the new system which will save you loads of time making new bookings.

- Only add your information and the information for your children once
- Automatically receive emails listing the days and sessions your children are booked in for
- Log in to view all your previous bookings
- Available from any computer with internet access

Before we get started, it's important to understand the two different types of bookings that Kids Club HQ provides:

- **Contracted:** If your children attend one of Get With The Kids Vibe clubs on a regular basis, i.e. same times on the same days every week, you probably have contracted sessions.
- **Ad-hoc:** If you book your children in as and when you need sessions, you probably make ad-hoc bookings.

This document covers **ad-hoc** bookings.

Making an ad-hoc booking

To make an ad-hoc booking, login at the following link:

<https://getwiththekidsvibe.kidsclubhq.co.uk/rdr?u=home>

The steps involved in making an ad-hoc booking are:

1. Add the children that you would like to book in
2. Choose the days and sessions that you would like the children to attend
3. Add contacts and collection passwords
4. Supply medical information
5. Agree to terms and conditions and select consents
6. Choose how you will pay for the booking

This looks like quite a few steps but it's very easy to go through and once you have done this once, the details are automatically populated for future bookings. You will only need to make changes if the details previously supplied change.

Step 1: Add the children that you would like to book in

The first step in the process is to add your children to the system. You will initially see a form to complete for your first child like this:

Please specify the details for the first child you would like to book for then click the 'Add Child'

Child Name (*)

Birth (*):

Address (*):

Fill in the name and date of birth for your child then click . This will show you a form where you should add the address for the child you are adding:

Address Choice ✕

Address 1 (*):

Address 2:

Town/City (*):

Post Code (*):

Click to save the address for the child.

Once the child's details have been specified, click [Add Child](#).

You will then see a list of children with just this child in it and a tick to the left to indicate that this child is selected for the booking:

Please select the children you would like to book for.
You can add more children using the "Add Child" button or edit details using the "edit" button for the child

<input checked="" type="checkbox"/> Jack Jones	17/08/2010	Edit x

[+ Add Child](#) [Next](#)

If you would like more children, click the [+ Add Child](#) button and go through the above process for each child you would like to add.

Once all the children you would like to include in the booking have been added, click [Next](#) to go to the next step.

Step 2: Choose the days and sessions that you would like the children to attend

The next step is to choose the sessions for the days that you would like your child(ren) to attend the club. You will see a page similar to the following:

£0.00

3rd Apr 2017 – 7th Apr 2017

Child	Mon	Tue	Wed	Thu	Fri
Jack Jones Edit	Booking Closed	Booking Closed	+ 30 spaces left	+ 30 spaces left	+ 30 spaces left

[Book](#)

Please select at least one session before continuing.

For each day you would like your child to attend the club, click the  button to show the available sessions for that day. This will show you a list of sessions like this (the sessions for the club you are booking may be different to those shown here):

Add Session for Wednesday 5th April 2017 ✕

<input checked="" type="radio"/> 15:00 - 18:00 (£10.50)	<input type="radio"/> 15:00 - 18:00 (£52.50)

Cancel OK

Select the session you would like your child to attend and then click .

If you are requesting a booking for multiple children, add the sessions for the appropriate days for each child.

Once you have selected the days and sessions you require, the page will look something like this:
